FIFTEEN CENTS

Township Park Shaping Up In Lake Villa

A softball field and a baseball field have been opened at Lake Villa's new township park.

One field is designed for softball and Little League hardball play and the other is a regulation hardball field. Use will be given to the organized leagues within the township. Other groups will be considered and given priority on weekends only if they submit a written request. "People or groups utilizing the field on their own may be disillusioned when they

have to give up the field, so it would be beneficial first to check with the township office to see what the schedule will be on the weekends," said Ronald R. Coles, township supervisor.

Soon there will be new bleachers for spectators and a refreshment stand with profits going to the Little League.

The recreation field is designed to incorporate a regulation-size football field and soccer field.

"The process of learning should be fun of the highest order, for it is indeed the greatest game in life."

Glenn Doman

Referendum Meeting Set

There will be a public meeting next Tuesday, May 4, at 7:30 p.m. at Emmons Grade School District 33 concerning a referendum proposing a 40c increase in the educational fund.

"All interested citizens are asked to attend," said Superintendent John Kakacek.

Shoplifters Are Target Of Campaign

"Vigilance is the key to preventing shoplifting."

That comment by Preston Reckers, program chairman of the Antioch Chamber of Commerce and Industry, accompanied the announcement that the Chamber is planning an intensive anti-shoplifting campaign. At its general membership

meeting on Thursday, May 13, the Chamber will preview the positive ways that Antioch area retail merchants and their employees can prevent shoplifting.

"When every retailer in town follows the policy of prosecuting each shoplifter, the word gets around," Mr. Reckers said. "Professionals will avoid the town and amateurs will think twice before yielding to temptation."

EVERYBODY PAYS for shoplifting. Stores across the country lose \$5 billion in merchandise to shoplifters every year.

While shoplifters pay in loss of freedom, friends, and reputation, consumers pay in higher

Picture On Page 9

taxes, loss of sales tax revenue, higher prices, and limited choices in the marketplace.

To accommodate store employees, as well as employers, the May 13 meeting will be held in the evening at the Antioch Country Club with cocktails at 6:30 p.m. and buffet supper at 7:30, at \$6 per person. Reservations are necessary and must be made with the Chamber office, 395-3381, before Monday, May 10.

THE PROGRAM will consist of a film, "The Shoplifter," dealing with the range of methods used in shoplifting.

Following the film, a panel Please turn to page 9

THE FIRST APPLE TREE planted in Antioch Saturday by Johnny Appleseed and his helpers was placed in the yard of Earl Fahrner, 594 Alima Terrace. A total of 150 apple trees were planted Saturday and Monday in the Northern Illinois Conservation Club's bicentennial project.

Front row, from left: Bill Brook, Ernie Di Labio, Eric Fahrner and Tracy Fahrner. Standing behind them are (from left) Dave Bushing, Paul Quinn, Oscar Bettach, Jerry Rockow as Johnny Appleseed, Jeff Beaufoy, Vic Filip and Melody Fahrner.

353 To Graduate From High School

A graduation list of 353 students has been approved by the Antioch High School board of education. The list is contingent upon the students com-

pleting all requirements for graduation.

At last Thursday's meeting, the board also designated Wednesday, June 2, as the last day

of the current school year, providing no emergency days are used before then.

The board also okayed a contract with the state's Divi-

sion of Vocational-Technical Education for the continuation of the WECEP (Work Experi-

Pet Show Is Rescheduled

The pet show scheduled at Grass Lake school last Sunday was rained out and has been reset for this coming Sunday at 2 p.m.

A "best of show" trophy and a host of ribbons await the pets that win prizes. The school's superintendent, Gene Paulausky, will serve as emcee and local pet shops will provide the judges.

Lake Villa Park

Continued from page 1

"If there are groups from the township of Lake Villa that would like to utilize these fields, some advance notice to our office is needed," Coles said.

About June 1 the town board is hoping that the new office and recreation building will be open to the public. The building will house the general offices of the township, such as the general assistance office, the assessor, town clerk and road commissioner. In addition it will offer a community room that the general public can use for outings and functions.

A park dedication weekend is being planned sometime around the beginning of July.

"We hope to dedicate this park in an old-fashioned way and will recognize the many people that have physically participated in the construction with their ideas and professional services. The dedication will be centered around a special recognition plaque to John and Dorothy Rule who started us out by donating the initial 15 acres of the new 23-acre park," Coles said.

As of June 1, there will be a special township park phone number: 356-3800.

EMPLOYMENT: The government employs one out of every six American workers: 14.5 million federal, state and local employees.

The Bicentennial seems to be the key word in American life these days and for the Antioch Upper Grade School 8th graders this is no exception.

Students have been actively involved in learning about our country's past by simulating early American life.

Such activities as building your own log cabin, making your own clothes, making soap, cooking food outdoors and many other daily tasks have given students a sense of respect for their forefathers rarely felt by modern society.

In addition, the American Indian has been studied in detail to understand his past and present status in American Society. Upper Grade students have learned that the true first Americans were proud strong people.

SIXTH AND 7th grade students have been involved in learning about the peoples of the world. Further, the 7th graders have studied world populations in relation to world physical and economic geography.

"Our students have found many interesting things about the world and its people. One overriding fact we've found is the more we study different cultures the closer we all become," one of the teachers said.

"Our 7th graders have also been involved in our environmental education program. Analyzing the world environmental problems and needs is the basis for this program. You may see more than one Upper Grade student taking data on our town's problems and future needs. In this way we hope to bring the problem closer to home in order to develop an individual student's self-responsibility to our home environment," a teacher explained.

Along with the previously mentioned classroom activities, 6th graders have been studying the concept of economics. They have developed their own business structure within the classroom and have come away with a remarkable knowledge of our free enterprise system.

Overall, the students are involved with many social studies activities all pointing to one main goal ... to come away with a knowledge of the world, their country, their community and themselves.

Grade School Bands Perform Here Sunday

All of the Antioch Grade School bands will perform Sunday in an hour-long concert at the Upper Grade School.

The concert begins at 3 p.m. and will feature music ranging from bicentennial selections to music just for enjoyment and entertainment.

Some of the selections to be performed are:

Junior Band - God Bless America, and We're Together (McDonald Theme Song).

Jazz Band - Rock Squad, featuring trap set drummer, Dave Shapiro, and Joy to the World.

Lower Grade Beginning Band - Marines March, and Yankee Doodle.

Intermediate Band - This Land is Your Land, and Salute to America.

Upper Grade Beginner Band - He's Got the Whole World in His Hands, It's a Small World, and This Is My Country.

Senior Band - 4 Episodes for Band, America for Concert Band, America the Beautiful, and Loyalty March.

Jaycees To Elect Officers

The Antioch Jaycees will hold a dinner meeting Thursday at the Dutchman Restaurant.

The event begins at 7 p.m. and one of the highlights will be the Jaycees' annual election. Members have been invited to bring their wives.

Officers nominated for 1976-77 are Paul Kinas, president; Tom Kedzie, Chuck Spillner and Terry Sunday, vice presidents; Wally Jaskowski, secretary-treasurer, and three directors; Chuck Balmes, Bill Groeninger and Bill Mathis.

At their last meeting the Jaycees agreed to sponsor a Little League baseball team.

the SOVEREIGN STATE of AFFAIRS

The Town Crier

DON'T FORGET, Sunday is the big day. The time is 2 p.m. The event? The \$50 challenge trapshoot pitting Jim Means of Norshore Resort against Dave Bushing of Foremost Liquors and Bill Brook of the State Bank of Antioch.

Means and Bushing have been giving the event a build-up that would put Muhammed Ali to shame. Last week Bushing accused Means of breaking his (Bushing's) hand, which is now in a cast.

Means' only comment yesterday was:

"Tell Granite Glove ... the Man with the Marble Mitten ... that I'll be at the shoot-out at 2 p.m. Sunday."

(Sunday's contest apparently isn't the end of the trapshoot challenging here. In the next column we have printed a story

submitted by Antioch's Polish Artillery. It obviously refers to Means, Bushing and Brook, but you'll have to get your own interpreter to find out what in the heck kind of challenge they are flinging.)

If you really want the last word in an argument, try saying, "I guess you're right."

THINGS SURE were exciting in these parts 85 years ago. Mrs. Ellen Flint came into the office with an 1891 Antioch News that was found, faded, under some linoleum.

"Over in Trevor," the Antioch news reported, "Mrs. D. C. Steward is raising some fine turkeys."

"Burke Bros. circus gave two performances here last Tuesday," the News noted. "It was a small affair."

Another item: "The postal business in this city has largely increased the past year and Postmaster Murray's salary has been

Please turn to page 8

Commentary

Postmaster General Has Plush Office

"No one needs to tell us postal rates are going up, but no doubt there are a lot of readers who may wonder why.

We have some of those reasons - as follows: It cost \$48,500, for example, to furnish the Postmaster General's office and another \$130,000 for the adjoining reception area, press conference room and a room for the Board of Governors.

Here is a list of some of the furnishings for the P.M.G. - carpeting, \$11,666; draperies, \$5,999; 2 sets of walnut doors, \$3,671; convertible couch (whoever heard of a Postmaster General who needed a convertible couch?) \$1,043; sofa, \$821; marble topped lavatory, \$800.

It makes us wonder if it is really worth 13 cents to mail a letter? The thing that really gets to us is the fact it costs the same to send one to the bank across the street as it does to send it to my friend in the 50th state."

From the New London, Ia., Journal

Presents \$34,049 to United Way

Robert January, marketing representative for Commonwealth Edison, presented a check for \$34,049 to the United Way of Lake County.

The check represented con-

tributions made by Commonwealth Edison employees during the recent campaign.

A plaque was presented to employees of Waukegan District, Waukegan Generating Station and Zion Generating Station.

Representatives accepting the plaques on behalf of their fellow employees were Ray Carrier and Warren Ekstrom of Waukegan Generating Station, Henry Sahler of Zion Generating Station, George Brown, Mike Nyrkkanen and Robert January of Waukegan District.

Baseball great, Lou Gehrig, didn't miss a game for years, running up a playing streak of 2,130 consecutive major league games!

THE SOUND OF wagon wheels are thundering across the vast Illinois prairie once again, as they did in the 18th century. The interstate Wagon Train Pilgrimage began in Springfield and is scheduled to arrive in Antioch at 5:30 p.m. on Saturday.

It is part of the state's bicentennial celebration. The wagon train is scheduled to leave Antioch at 8 a.m. on Monday, May 3, heading east to meet the national wagon train at the Illinois-Wisconsin border.

During their overnight stay in Antioch, the travelers and horses will be housed at Vern Thelen's farm. The 12 permanent members of the wagon train are "camping out" along the way.

SUNDAY IS a day off for members of the wagon train and the Antioch Bicentennial Commission hopes they

will come into the village on that day to meet local residents.

A newspaper dedicated to people marching to their own drummers.

A winning combination by White Stag: the air-conditioned sailcloth "Strap Jack" jacket and the Outrigger Check "Calfskinner" are as handsome a twosome as you'll find in a whole summer of Sundays. Available at Gibbs & Jenssen Sporting Goods.

10 YEARS AGO: APR. 28, 1966

It was definitely decided to go ahead with the effort to form a park district in Antioch at TUESDAY NIGHT'S MEETING. A committee of 12 was appointed to continue working on the project.

The U.S. Post Office department is joining in the nationwide beautification drive by proclaiming May 16-21 "Mailbox Improvement Week."

Order Bicentennial Decorations by May 3

Antioch area businessmen can purchase bicentennial building decorations through the Antioch Chamber of Commerce & Industry. The orders must be placed by next Monday, May 3, with the Chamber office, 909 Main St., 395-3381.

Samples of decorations available are on display at Four Squires and B-J's Fashions for Men.

Auto Show At Lakehurst

Auto enthusiasts can discover what goes on inside the new

little Chevette at Lakehurst's Chevy Auto Show Thursday through Sunday.

The cutaway exhibit showing the car's inner construction and mechanical features will take the spotlight in the Central Court of the shopping center.

Stewart Olson Employees Update Skills

Keeping products on the go "from the ground up" is the objective of Stewart Olson Implement Co., International Harvester Equipment Dealer in Antioch.

Richard Kattner, serviceman at the Olson Co., has returned from a service training meeting at which the 4568 Four-Wheel Drive Tractor was the subject of 2½ days of intensive training.

The training was conducted by IH instructors who cover the states of Illinois and Iowa.

Alan Bednar attended the 1976 IH parts and service conference representing the Stewart Olson Co.

The conference was held at International Harvester's Product Support Center in Hinsdale, Illinois. The "Center" is the largest of its type in the world for agriculture.

The conference stressed new computerized controls for automated parts inventory and shipments as another step toward having the right part at the right time.

Letters

To Residents of School District 34

OPEN LETTER

I recently made some comments at a school board meeting that I would like to explain.

The board of district No. 34 has been concerned for the last three to five years about our physical plants (school buildings). The concern is that all of the K-5 schools are in need of repair and that we have six portable units that are not really ideal for education.

The Antioch building is being remodeled and up-dated because the state has granted funds for this purpose with the district furnishing part of the funds. We are not able to do this at Oakland because it would not fall under the life safety code, but under new construction to build additional classrooms.

The last has been a real big concern because of the overall condition of the school, this being the Channel Lake School. The state will not grant any funds for remodeling or up-dating of this school. Any moneys spent would have to come from our own school district. We have also been aware that the school could possibly be condemned for use as a school building.

In my statement I said that the people in Channel Lake would be upset and be coming in to the board, and I believe rightly so. If I lived there, I too would be upset about losing a neighborhood school.

My remarks at other board meetings are that I am opposed to busing in any form. We should build schools in populated areas so that the majority of the children can walk to and from school.

For years we have bused children from Oakwood Knolls to Oakland School and children from Seven Hills area to Oakland. These people too, are upset about the arrangements, however we as a board (speaking for myself) can only do what we think is best with what we have to work with. We have tried for a building referendum to try to eliminate this problem,

but it was beat soundly and the residents of Channel Lake were strongly opposed to the referendum.

I am also opposed to more consolidation. This to me is not the answer. The more power we give the county and - or state, the less we have to say at the local level. It is our obligation to give our children the best possible education. Someone else paid for yours and mine, now we must pay for the next generation. It is more costly now, but it will be even more costly in the future. Last year a new school building would have cost less than it will this year or next.

I PERSONALLY feel that we must find a way to eliminate the portable classrooms at Oakland and to dispose of the Channel Lake school building. I do not want to have another disaster like "Our Lady of Angels" school in Chicago, on my conscience. It's not that I have anything against the Channel Lake School, people or community, but only on the basis of fact that the school building is too old to really be up-dated to meet the needs of the children in that area.

I am sure the board would listen to any reasonable solution to this problem. As I stated before, we have discussed this many times and have not come up with an answer that is satisfactory to all concerned.

If we spend the \$160,000 on the present school this next year, we still will not be up-dated to the point where the state would like to have it. Likewise, the following year, we may have to put in more money to keep the building in shape so that it is reasonable safe for occupancy by children.

ANOTHER PROBLEM is that in the next few years we may have some large growth from a couple of new subdivisions in the area. If this occurs we will really be hard pressed for room. The one land owner has agreed to give us land. We should take advantage of this

and build a new school, K-5, on the site as well as remodeling and enlarging Oakland to meet not only the state requirements, but for the educational benefit of our children.

What I would like to see would be the cooperation of all those concerned to focus their attention on the problems of the school district and forget about their own selfish well being and egotistical self importance. This includes the board itself, the superintendent, the business manager, the administrative staff, the teachers, the clerical help, the cooks, the bus drivers and organizations such as PTO, band parents and the parents of the students. If everyone would work together, we could pass a referendum, build a new school and then do the job we should be doing of educating our children.

WE HAVE failed miserably on this item during the last year. Most of the board's time was spent on negotiations with the teachers and disagreements with the superintendent. That is now water over the dam. The superintendent has a year extension on his contract, the teachers have a two year contract, therefore we now need to get back to work for the children of the district. This can only be done if everyone is willing to jump into the boat and start rowing in the same direction.

This does not mean that there will not be rough waters along the way, but with proper attitudes these could be held to a minimum. As one member of the Board of Education, I am asking for the support of those concerned to get behind the board and its employees to get a referendum passed to up-grade our school buildings so that the teachers will be able to give our children the very best in education.

Sincerely,
L.M. Woods

CURBSIDE PICKUP ONLY

Woman's Club Hears About Williamsburg

By FLORENCE PEDERSEN

The program "Colonial Williamsburg" by Ann Connors was enjoyed at the Antioch Woman's Club's meeting last week at the First National Bank's community room.

The club again is presenting scholarships for various summer programs this year. Seven Antioch High School students will be the recipients and their names will be announced by high school officials.

It was suggested by Lillian Ackerman, who spends much of her time at Downey Hospital on behalf of the club, to give patients birthday gifts.

A book will be presented to the Antioch Township Library in memory of Elsie Hays, honorary member.

Mrs. Emory Chandler was voted in as a new member.

Members attended the district meeting and luncheon Monday at the Swedish Glee Club in Waukegan.

The Park Ridge School for Girls invited members of the club to come to the open house they are sponsoring at a beautifully decorated and furnished English Tudor home in Winnetka between May 17 and June 6.

Volunteers signed for the collections to be taken at various locations in Antioch for the Salvation Army's Doughnut Day on Friday, June 4.

President Irene Hahn volunteered to head the committee for the Woman's Club float for

the July 4 Bicentennial Parade. Of course, she will need lots of help and is hoping for a good response.

The club will have a booth at the Arts, Crafts and Antique Fair on July 11.

The annual spring luncheon, for members only, will be held at Brae Loch Country Club, Grayslake, at 12 noon on Monday, May 3. Reservations must be made by this Friday.

Hostess Mrs. Marguerite Snider and her committee: Mesdames Irving Elms, Stewart Olson, William Stanley, Stanley Toton, Theodore Walther, Charles Watson, Richard Wells, Barbara Madden and Einar Petersen served cakes, coffee and tea.

Happenings

SECRETARY OF Commerce Elliot Richardson, will be the speaker at the election year fund-raising dinner of the Lake County Republican Federation Friday, June 4, at the Holiday Inn, Mundelein.

The dinner is at 7:30 p.m. A reception will start at 6.

Richardson is expected to hold a press conference preceding the dinner.

Federation President Michael Cudahy said Richardson's appearance will "undoubtedly draw a record attendance of Lake County Republicans."

William L. Thompson, Antioch, regional superintendent of schools, is co-chairman of ticket sales. Both \$100 and \$20 dinner tickets will be available.

The dinner, said Cudahy, will be the major revenue source for the November Republican election drive in Lake County.

The word *person* was derived from the Latin word for a mask worn by actors.

Employee insurance with a surprising difference.

Country Life's new Employee Insurance Benefit Package provides the kinds of life, health and disability income coverage that you usually find in group policies at big corporations.

But it's specially tailored for business with 2 through 50 employees.

Whether your business is a farm or a factory, ask your Country Companies agent if your business qualifies for this new Employee Insurance Benefit Package. It's got the kinds of differences you don't want to pass up.

The Country Companies. We're a little different than most insurance people.

Your
Country
Companies.

Mr. and Mrs. Larry Kersey

Renee' Desbiens Weds Larry Kersey

Miss Renee Desbiens, daughter of Mr. and Mrs. Al Desbiens of Main St., Antioch, became the bride of Larry Kersey on Mar. 20.

Larry is the son of Mr. and Mrs. Larry Kersey Sr. of Roachdale, Inc.

The wedding took place at the home of Mr. and Mrs. John Desbiens, on Ida St. in Antioch, with the Rev. Donald McPeck of

the Millburn Congregational Church uniting the couple in marriage.

Miss Michelle Desbiens and Mr. Robert Farmer were attendants.

A reception for 50 guests followed the ceremony.

The new Mr. and Mrs. Kersey will make their home in Norfolk, Va., where he is stationed with the U.S. Navy.

High School

Continued from page 1

ence and Cooperative Education Program) for the 1976-77 school year.

The board approved the addition of a course entitled Behavioral Lab in the science department for the next school year.

Superintendent Warren Polley reported that the annual athletic banquet will be May 24, sponsored by the Antioch Lions Club. About 100 senior boys and girls will be the guests. Lou Henson, University of Illinois basketball coach, will be the speaker.

The law firm of Larson and Gantar was appointed to be the school's attorneys for the 1976-77 school year.

The reorganization of the board was held, with incumbents Charles Forster and Frank Johnson installed as board members for 3-year terms.

Robert Lindblad was re-elected board president and Bette Meyer was re-elected secretary.

LAUGHTER: "Sunshine in a house."

Town Crier

increased to \$200 a year."

SPEAKING OF postal service, a young Antioch couple, Mr. and Mrs. Joseph LaFata, are living in Hawaii. They love it there. And they still get the Antioch News... six weeks after it's mailed.

People in Trevor, three miles away, get the newspaper two or three days after it's mailed. And one of our subscribers in Fox Lake, 10 miles away, receives the Antioch News the following Monday. It takes five days to get from Antioch to Fox Lake.

We're not blaming the nice people at the Antioch post office. We're sure they're doing their jobs. But there must be something wrong with the system somewhere.

Locally, the newspaper is delivered flawlessly on the day of publication. It's really amazing for the small amount the post office charges second-class publications such as newspapers. But we guess the bottleneck occurs when out-of-town mail has to be sent to Chicago for sorting.

Incidentally, the couple that lives in Hawaii received a package sent by their family in Antioch. But only after it had been put on a boat that went to China first, then to Hawaii.

Educational toys are designed to prepare your child for life in today's world; no matter how he puts it together it will be wrong."

We hear a young Antioch man, not too handsome, proposed marriage to his girlfriend with the apology: "I know I'm not much to look at."

"That's okay," she replied. "You'll be at the office most of the time anyway."

JOHN TERESI Chevrolet-Oldsmobile BRINGS YOU

MAY 3-9, 1976

This libation good for vegetation.

Watch for meteor showers this week... Harry Truman born May 8, 1884... First quarter of the moon May 7... American Bible Society founded May 8, 1816... Average length of days for the week, 14 hours, 18 minutes... Germany surrendered 6:01 PM, May 8, 1945... Who is the bravest hero? He who turns his enemy into a friend.

Old Farmer's Riddle: Who was the most ardent golfer to occupy the White House (and it wasn't Ike)? (Answer below.)

Ask the Old Farmer: In an old book, I found this strange quotation - "Shun her as you

would the deadly upas tree of Piscataquis County, Maine." What is an upas tree? F.R., Decatur, Ga.

The upas tree is a native of Java, its poisonous, milky juice being used on arrows. But we don't believe it grows in Maine.

Home Hints: When cutting slippery fabrics such as chiffon and jersey, use table pads with the felt side up as a cutting surface... **Riddle answer:** Woodrow Wilson played summer and winter, using a black golf ball when snow was on the ground.

OLD FARMER'S WEATHER FORECASTS

New England: Week begins rainy, then clearing and very warm by midweek; rest of week generally cool.

Greater New York-New Jersey: First part of week moderate to heavy rain over region; latter part clearing and very warm.

Middle Atlantic Coastal: Rainy weather in central and east at beginning of week; clearing and becoming unseasonably warm through weekend.

Piedmont & Southeast Coastal: Most of week clear to partly cloudy, very warm and dry, except for rain in northeast at start of week.

Florida: Week begins with showers in south, spreading to central by midweek; remainder of week hot in central and north.

Upstate N.Y.-Toronto & Montreal: Partly sunny and hot at first, becoming very cool by midweek; weather pattern continues through weekend, except for some possible rain in east.

Greater Ohio Valley: Early week clear and hot, then some light showers and considerably cooler; sunny, hot weather prevails latter part.

Deep South: Fair at beginning of week, then becoming rainy by midweek; rain continues through weekend in south.

Chicago & Southern Great Lakes: Hot and sunny entire week, except for some scattered light showers at beginning and on weekend.

Northern Great Lakes: Generally sunny and very hot throughout week, except some light to moderate showers early week and at week's end.

Central Great Plains: Rainy weather, light in northeast, continues through midweek; sunny and very hot latter part.

Texas-Oklahoma: Showers at beginning continue through midweek, quite heavy at times in central, north and east; clearing and hot end of week.

Rocky Mountain: Mostly sunny all week, turning unseasonably hot in south and central; some light rain in north.

Southwest Desert: Entire week mostly sunny and unseasonably hot, becoming very hot by week's end.

Pacific Northwest: Rainy and quite cool to start; milder, rain more intermittent latter part.

California: Partly cloudy and seasonable most of week, but sunny and warm midweek and hot in east.

WASN'T THAT a wonderful weekend? Heavy rain all day Saturday and then snow on Sunday, Apr. 25.

There is only one solution. We should all work on Saturdays and Sundays, and then take off on Mondays and Tuesdays.

I knew I was right when I left my snow tires on.

How about a reunion of the Antioch High School class of 1917? That was 59 years ago.

We received a letter from Jennie (Willett) Ziegler of 905 S. 7th St., DeKalb, Ill. 60115. She would like to get in touch with her 1917 classmates and arrange a reunion.

"Our class was the first that was in the new school for a complete year," writes Jennie. "The first graduating class, 1916, was in the school just two months. There were two girls, Hester Goldie and a girl who lived on Depot St."

The 1917 class never had a reunion.

"I think there were nine of us," said Jennie. "Jack Morley, Elmer and Stanley Jack, Anita Hucker (now in Florida), Marie Johnnet Porter (last heard of in Pittsburg, Pa.), a girl named Ruby from Lake Villa, myself, and two girls who are now deceased."

"We are all getting quite old," writes Jennie. "and I would love to see and talk with them once more. I have been gone from Antioch more than 50 years, but get the Antioch News."

Please turn to page 10

IN PREPARATION for the May 13 general membership meeting of the Antioch Chamber of Commerce, this panel met to formulate a program for Antioch area retail merchants and their employees on the positive measures that can be taken to prevent shoplifting. Seated, left to right, Chris Plonke, executive secretary of the Antioch Chamber of Commerce and Industry; Anita Lapera, manager of the Globe Department Store of Antioch; Preston J. Reckers, vice president of the State Bank of Antioch and Chamber program

chairman, and Sue Koppa, Antioch Police Department. Standing, left to right, Chuck Miller, Antioch Police Department and Mike Gantar, attorney with the firm of Larson and Gantar, Antioch. The meeting will be held at Antioch Country Club, cocktails at 6:30 p.m. and buffet supper at 7:30, at \$6.00 per person. Reservations are necessary and must be made with the Chamber office, 395-3381, before Monday, May 10.

Anti-Shopping Campaign To Begin

Continued from page 1

discussion will be conducted by Chuck Miller and Sue Koppa of the Antioch Police Department and Mike Gantar, attorney with the Antioch firm of Larson and

Gantar.

Anita Lapera, manager of the Globe Department Store of Antioch, will act as moderator for the panel, dealing with such topics as apprehending the shoplifter, successful arrest and conviction of shoplifters, additional ideas that can be used to prevent shoplifting, and pro-

tecting the store.

A question and answer session will follow the discussion.

POSTERS AND literature regarding shoplifting, bad checks and internal shrinkage will also be available at the general membership meeting.

During the week of May 3, in

correlation with the campaign, a movie, "Shoplifting - It's a Steal," and a discussion about shoplifting and its consequences, will be held at the high school and all Antioch grade schools, in addition to a related poster contest co-sponsored by the Chamber and the State Bank of Antioch.

Rudy Eckert On CLC Panel

The advisory board to the new program for senior citizens at the College of Lake County has met for the first time.

The board includes Sam Newick, of the Lake County Health Department, Libertyville; Randy Wiesemann, the Chaplaincy Service, Inc., Round Lake Beach; Rudy Eckert, retired businessman from Antioch and Steve Warnecke, president of the Lake County Council for Seniors.

Field Trip Planned for 5th Graders

The Northern Illinois Conservation Club will sponsor its annual Kettle Moraine field trip this Saturday.

The trip is for all fifth graders in the Antioch school district.

The youngsters can bring a bag lunch or hot dogs. The club will furnish root beer and charcoal to cook the hot dogs. School buses will transport the children.

The event features a nature walk through the woods and a talk by one of the park rangers.

On returning to school, the pupils will be asked to write an essay on the trip. The Conservation Club will present savings bonds for the best essays.

Special Census To Be Taken

A special census will be taken in Lake County's unincorporated areas with the expectation that it will raise the official population. Some 120 census takers will be going door to door for 5 to 10 days in June to get a head count.

The amount of state income tax revenue Lake County receives depends on its unincorporated population.

While the regular census taken every 10 years asks more detailed questions, the special census will be strictly for a head count.

The census takers will have official census bureau identification tags and an identification picture.

Interested applicants can apply at the personnel department, Lake County courthouse, Waukegan.

Wind Blamed

An 8 by 8-foot window was found broken at the Lakeside Restaurant, 410 Lake St., early Sunday morning. Since there was no evidence of vandalism, restaurant owner Chris Katris and police suspected that the breakage was the result of Saturday night's strong wind and snowstorm.

Rescue Squad Makes 17 Calls

The Antioch Rescue Squad made 17 calls last week, nine to administer first aid and eight calls in which persons had to be transported to area hospitals.

The squad now has made a total of 235 calls in less than four months of 1976.

WITH THE HELP of Grass Lake students Johnny Appleseed, portrayed by Jerry Rockow, plants an apple tree. Mr. Rockow and other Northern Illinois Conservation Club members visited all seven of Antioch township's grade schools Monday, speaking at assemblies and explaining the legend of Johnny Appleseed. William E. Brook, president of the State Bank of Antioch, donated the 50 apple trees that were planted on the grounds of the various schools.

Marie. The baby girl arrived weighing just over 7 lbs. Bob is an active member of the Antioch Jaycees.

HERE'S WISHING a speedy recovery to Irene Klemz, from Flair Coiffures, who went into Zion-Benton hospital this week for corrective surgery on her feet. Get back on those feet quick, Irene.

"Enjoy the present."

Horace

For purchasing and donating the 150 apple trees that were planted in Antioch village and township on Saturday and Monday.

★ P.S. And thanks to the following people who donated trees for Antioch parks: John Lange, Minnie Kostock, Robert LaParr, C. T. Gloyer, Arthur Andersen, Mel Wohlfell and Tim Prining.

Dave Bushing

Chairman of the Conservation Club's Johnny Appleseed project.

Antioch, Lake Villa Artists Win Awards

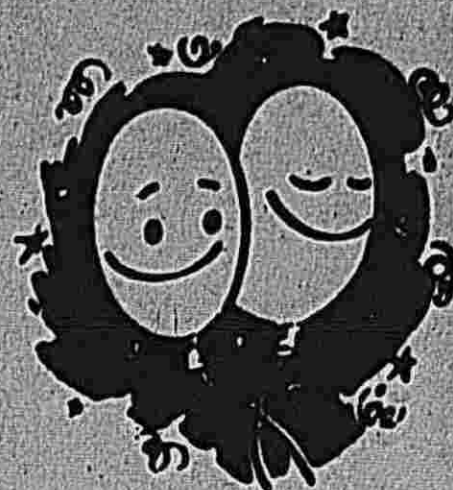

Seventeen artists from Antioch and Lake Villa won awards in the annual Lake County Town and Country art show. There were a total of 714 entries from throughout the county.

Rose Ann Ludford of Lake Villa won an adult "best of show" award for her pencil drawing of "The Girls." Adult blue ribbon winners were Shirley Grego, Carol Geske, Roberta Knirsch, Fran Moldenhauer, Jan Steitz, and John White of Antioch; and Harris Ford, Margaret L. Graves, Anders Nordling and David Bridges of Lake Villa.

High school blue ribbon winners included Connie Kohnke and Mary Wanagas, both of Lake Villa.

"Below high school" blue ribbon winners were Patti Ann Grego, Paul Hettich and Edward J. Warner of Antioch, and Pamela Knourek of Lake Villa.

The blue ribbon winners in the adult division can enter their art pieces in the regional show at Northern Illinois University in DeKalb.

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

Mrs. Bruce Muir

Bruce Muir Marries Susan Adams in Denver

Miss Susan Adams and Mr. Bruce Robertson Muir exchanged wedding vows before The Very Reverend Herbert Barrall on Mar. 20th in St. Martin's Chapel of St. John's Episcopal Cathedral in Denver, Colo.

Their parents are Mrs. Sallie Adams of Denver and the late Col. Richard Adams of Oklahoma City, Okla., and Mr. and Mrs. Blythe D. Muir of Stamps, Ark., formerly of Antioch.

The bride was given in marriage by Mr. Andrew Nelson, a close friend of the family. She wore a gown of white satin peapodsole with a scoop neckline.

Mrs. Marilyn Wirth of Denver was matron of honor. Ronald

Lambden of Denver served Mr. Muir as best man.

A reception was held at Brooks Towers immediately following the ceremony.

The groom's parents were hosts for a rehearsal dinner at Mt. Vernon Country Club atop Lookout Mountain on Mar. 19th.

The couple spent their honeymoon in Aspen, Colo.

Mrs. Muir is a graduate of George Washington high school and attends the University of Colorado. Mr. Muir is a graduate of Antioch High School, Vassar College and the University of Denver Law School. He is now associated with the firm of Lentz, Evans & King in Denver.

Kindergarten Registration At Emmons

Kindergarten registration at Emmons Grade School District 33 will take place on May 5 and 6 from 8:30 a.m. to 3 p.m.

Children must be 5 years of age on or before Dec. 1, 1976.

A birth certificate must be presented on the day of registration. Health forms will be given to the parent and must be returned before the start of school in the fall.

INDIAN CAPTIVE

Mrs. Mary Rowlandson, who was captured by the Narragansett Indians and later wrote a book on the event, was ransomed on May 2, 1647.

Special Education Services Offered

John Kakacek, superintendent of Emmons School, said this week that recent legislation has provided that an exceptional child, who will be 3 years old before Dec. 1, is eligible for special education services from the beginning of the school year.

If the exceptional child becomes 3 after Dec. 1, he or she shall be eligible for special education services at any time thereafter.

Any District 33 parent who

has questions or concerns about the development of their preschooler can request an evaluation by calling the superintendent's office (395-1105). An appointment will be arranged for a screening evaluation.

"A parent conference will be held to discuss the results of the screening evaluation and to determine what further action, if any, is required," Kakacek said.

LCYC Toasts Mary On 40th Birthday

May Day! May Day!
(Or should we say, "Mary Day!")
Hear Ye! Hear ye! Hear ye!

Saturday, Mary 1, Mary Palm, that distinguished citizen who has been a faithful, subservient wife, mother and LCYC member, will attain the golden age of 40.

Let's all raise our glasses to her as this gracious lady enters the twilight years. Congratulate her at 395-1173.

Cotillion Plans Are in Full Swing

Plans for the Antioch Mental Health Cotillion to be held on Saturday evening, May 15, at the Abbey in Fontana, Wis., are now in full swing.

Dancing will be to the music of the Steve Swedish orchestra from Milwaukee. There will also be cocktail music as cocktails are enjoyed while looking over beautiful Lake

Geneva. The cocktail hour begins at 7 p.m., dinner is at 8:30.

Tickets are available from members of the Antioch Mental Health Association, from the State Bank, the First National Bank, the Savings and Loan, and Lorenz's Smart Country House.

The U.S. celebrated its first official Thanksgiving in 1777—not in honor of the Pilgrim event but to celebrate the defeat of British Gen. John Burgoyne.

Musicale for Church Women

The United Methodist Women of the United Methodist Church of Antioch will hold their May meeting on Wednesday, May 5, at 7:30 p.m.

They will be entertained by a group of gospel singers from Racine, Wis., known as The Reachouts. The group consists of four young men who sing and play various instruments, including the saw.

"This is a program of interest to both young and old - men and women," said Mrs. Robert F. Duha, publicity chairman.

"Following this inspiring musicale, will be a social hour of fellowship and refreshments. The public is invited. Mark this date on your calendar and join us for an evening of music and fellowship," she said.

Superstition has it that if there is a ring around the moon, expect bad weather.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - By showing consideration and understanding the needs of those close to you, a good working relationship can be maintained. This is not a routine week.

TAURUS [April 20-May 20] - A good week to show accomplishments; keep abreast of your responsibilities so there's time left for social activities. Keep in touch with people who are willing to assist.

GEMINI [May 21-June 21] - The changes you make now should be for self betterment. Embark on a program that points in a constructive direction. The groundwork you lay now is important.

CANCER [June 22-July 21] - Reconstruct your plans and consider the most important issues this week. Keep attentions aimed toward a more serious note as frivolous activities only waste time.

LEO [July 22-August 21] - Be an example setter; look on the brighter side of things and maintain an optimistic attitude. Plan your week carefully so that you have plenty of time for both work and play.

VIRGO [August 22-September 22] - Be sure you've looked at all sides of the situation before judging; others should be given the benefit of the doubt.

LIBRA [September 23-October 22] - A demanding trend requires more advance planning on your part. Know when to draw the line and don't over extend your energies.

SCORPIO [October 23-November 21] - Don't let the urge for a change of scenery prompt you into acting too swiftly; being rash with decisions can be costly.

SAGITTARIUS [November 22-December 20] - Keep pleasant company this week; being around congenial people help you to think in a more constructive manner. Be on the lookout for new offers with future benefits.

CAPRICORN [December 21-January 20] - Improvements in present lifestyle may be necessary. Be persistent and stick to project you undertake. Steadfastness promises a successful outcome.

AQUARIUS [January 21-February 19] - Your creativity can be used to further aims; you are more industrious than you think. Play your hunches, intuitiveness is exceptional.

PISCES [February 20-March 20] - Try to coordinate plans so things are in order; the week should be viewed with enthusiasm. Those efforts can pay off now.

Sweet Adelines Plan Show in Libertyville

Mrs. Robert Bell of Antioch has been a busy person as costumes chairman for the Lake County Chapter of Sweet Adelines.

Regional competition in March and a barbershop harmony show being presented this Saturday at Libertyville High School required more than one costume, and multiplied by a 50-member chorus with personal opinions, Mrs. Bell has added "diplomat" to her name.

The harmony chorus, which meets every Monday at Annunciation Parish in Waukegan, is directed by Joan Gardner and includes women singers from northern Illinois as well as the Bristol, Wis. area.

They have discovered that four-part singing is one of America's closest harmony styles - a chance to really learn your voice potential (even though it's never gone past the shower-singing stage).

Within the chorus, quartets often form on their own to sing and practice and eventually enter competition with other top-notch foursomes.

Lake County now has three quartets, one which recently took fourth place honors in a regional contest. They are "The Lake Contesses," and will be featured in Saturday's 8 p.m. show along with the chorus and

notable men's quartets affiliated with the society for the Preservation & Encouragement of Barber Shop Quartet Singing in America.

Any women interested in singing barbershop harmony are invited to attend any Monday meeting.

Tickets for Saturday's show can be purchased at the door (if available) or by contacting Mrs. Bell, 442 Winsor Drive, phone 395-6733.

Other area women in the chorus include Mrs. Arthur Doty, Mrs. Kenneth Fugman, Mrs. Louis Korom, Mrs. Allen Mielke and Mrs. John Newell.

Musicians wanted.

CLC NEWS

The College of Lake County Women's Program is offering a non-credit course for divorced or widowed people entitled "Single Again."

The eight-session series will be held on Tuesday evenings at Mundelein High School, until June 15 from 7-9 p.m. It began last night.

The series focuses on the needs and concerns of divorced and widowed people. A broad range of concerns of single people are dealt with: emotional aspects, financial management, legal concerns, single parenting, and career potentials.

For further information about "Single Again," call Mrs. Mrotek at the college, 223-6601 extension 352.

A BICENTENNIAL Choral and Band Concert featuring American music will be presented by the College of Lake County music department Sunday at 7 p.m. in the Blue Court on the Grayslake campus.

Performing groups will be the CLC Singers, the CLC Community Chorus and the CLC Concert Band. Admission is free and open to the public.

THE COLLEGE of Lake County physical education department is again offering a week-long cycling and camping trip in Wisconsin, May 17-22. Participants will receive transferable credit.

The trip begins on the Sparta-Elroy trail in west-central Wisconsin and continues along that state's bikeway back to the CLC campus. The only deviation will be over the Sugar River Trail in New Glarus. Camping highlights are overnight stays at Devils Lake in Baraboo and Big Foot Beach on Lake Geneva.

Those interested in signing up must do so during summer

session pre-registration before May 6 at the college.

For further details persons can call Dr. Bruce Smith at CLC, 223-6601, extension 448, or at his home at 223-5116.

The College of Lake County Jazz Ensemble under the direction of Chuck Banks will present "Jazz Finale" Sunday, at 3 p.m. in the College Center. Admission is \$1 per person. The public is invited.

NICK MARUCCI,
GOLF PROFESSIONAL

The Nick Marucci Golf Shop will be featuring complete lines for golf equipment and sportswear including the latest designs in golf clubs by P.G.A. and Acushnet, a fine selection of bags from Dunlop and Burton, the most colorful array of men's outfits from Thomson, Etonic and IZOD, a stunning group of new golf "looks" for the ladies from Leon Levin, David Smith and Haymaker.

The Antioch Country Club Lesson Program will feature 1/2 hour lessons at \$6.50 and a nine hole playing lesson for \$20.

- Golf course open to public play.
- Golf memberships available.
- Tennis and pool memberships available.

• Reserve your 1976 golf tournament now!

• Join one of our golf leagues:

Men's Golf Leagues
Ladies Golf Leagues
Mixed Golf Leagues

• Banquet and party rooms for 25 to 600.

CLAN DO

In the early days of Scotland, the rugged land caused the separation of the Scots into small groups called clans. Each clan, according to the Teuchter's Scotch Information Centre, was ruled by a chief.

All the people of a clan had the same surname, which often began with "Mac," meaning "son of" as MacDonald, MacKinnon, MacLean, MacLeod. The clansmen wore a kilt, suitable for climbing the rough hills; and a plaid blanket for a cloak. Each clan had its own colorful pattern—called a tartan—for weaving cloth. Today the kilt is a national costume, proudly worn for all occasions. There is a day kilt, a dress kilt and a battle kilt which regiments wear.

The "gatherings" of the clans draw many visitors, especially to Inverness, which is called the "capital of the Highlands." At these gatherings athletes, wearing kilts, compete in ancient Highland sports such as "throwing the hammer" and "tossing the caber." (A caber is a long, heavy pole.) Pipers and Highland dancers add color and interest to the gatherings, where they perform spirited dances known as "flings."

They thoroughly enjoy doing their own fling.

ABC's of Travel

Domestic and International

By BARB CORBIN

BITS & PIECES - Best Western Motels are issuing their 1976 edition Road Atlas & Travel Guide, showing locations of 1,300 member establishments. Copies are available by writing to Best Western, 2910 Sky Harbor Blvd., Phoenix, Arizona 85034.

With all the family summer vacations more or less just around the corner, this can be a tremendous guide and excellent road map. These are almost a thing of the past to obtain these days, other than through your local travel agency or by purchasing the Rand McNally Road Atlas, which is a bit hard to locate in our area.

ASSURED ROOM reservations at Holiday Inns or at Sheraton Hotels and Inns... Give your travel agency the American Express account number when you make your reservations at any of these inns and, once confirmed, your reservation is guaranteed.

If for any reason the hotel cannot honor your assured (guaranteed) reservation, its staff will find you suitable accommodations at another convenient hotel, pay the full cost of your first night's lodging, the taxi fare to get you there, and reimburse you for a phone call home if needed.

If you must cancel, call the appropriate number (hotel or travel agency) by 6 p.m. of the reservation day. Give your American Express account number to avoid being billed.

WHENEVER YOUR reservation for an auto rental is made, proceed with all information, etc. Be careful about two things and this is from my own experience.

First, watch for the old "bait and switch" routine. When checking in, make sure the particular model which was confirmed is available. So often the auto agencies will tell you

BARB CORBIN

the only thing available is more expensive. Insist on paying only for what you have reserved. To protect yourself when making the reservation with your travel agency or yourself, be sure to get the order confirmation number and the name of the operator who made the reservation. Without this information, it may be difficult or impossible to convince an agent at a car rental booth of what you were promised over the telephone.

OF BOOKS

Little Engine Still Chugging

The Little Engine That Could has been on the right track for 50 years, enchanting readers of all ages.

KITE-FLYERS Dan and John Collins listen to safety tips from Commonwealth Edison Company crew leader John Jacobsma and linemen James Kocinski and Clifton Childress before heading out to an open space and a friendly breeze for their first flight of the season.

In addition to avoiding "dangerous" places such as areas near power lines, TV or radio antennas, trees, and streets or highways, kite flyers should follow these other safety tips:

1) Make kites from the "old-fashioned" basics - wood, paper, string and cloth. Metal or wire should never be used

because they can conduct electricity, causing injury if an accidental contact is made.

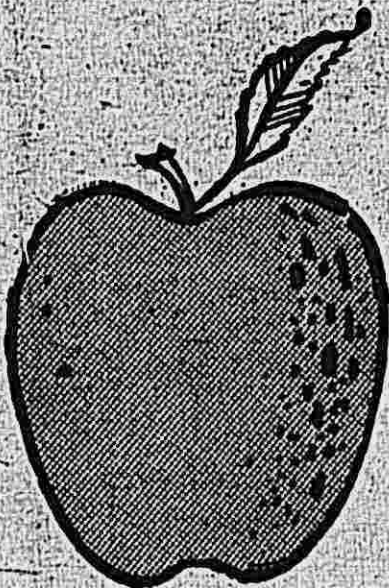

2) Never fly kites in the rain. A wet kite string also can conduct electricity, or lightning down to the flier.

3) If your kite should happen to be gobbled up by a tree like "Peanuts" character Charlie Brown's, or get tangled in power line, leave it for his friend Woodstock and the other birds. Climbing trees or utility poles - or entering "off-limits" areas - to retrieve a kite just isn't worth the risk of injury.

When considering saving by freezing food, remember to figure in energy costs. On the average, freezing a pound of food by lowering its temperature to 0°F. requires about 0.1 kwh.

ANTIOCH ARTIST -- John White, son of Mr. and Mrs. Homer White, Rt. 2, Antioch, adds the final touches to an oil painting which will be part of his senior art exhibit at University of Wisconsin - Platteville. John will display drawings, prints, photographic selections and oils he has framed.

Wilmot Is 'Super Tremendous Place'

Three letters, STP, representing an automotive product which has been marketed through the sport of auto racing, may be much in prominence soon at the Kenosha County Speedway in Wilmot.

For opening night, Apr. 17, a banner with these three familiar letters and "Welcome Race Fans" was displayed near the spectator entrance. Throughout the night fans were encouraged to propose a phrase using the letters and identifying with the super-modified stock car racing presented weekly at Wilmot.

More than 200 suggestions were received by the track announcer during the racing program. The suggestions were written on gum wrappers, pieces of popcorn boxes, cash

register slips, business cards and even napkins. The most popular phrase, which will be adopted by the track, was "Super Tremendous Place."

Some of the other suggested phrases were, Super Track Power; Super Tuned Pistons; Super Terrific Passers; Super Track Performers; Super Thrilled People; Super Talented Pros, and Super Track Papas.

One young fan, Tim Pacey, Kenosha gave his suggestion a personal touch with "Super Tim Pacey."

The track is starting its 26th year of stock car racing, which includes sportsman type cars with the open-wheel super modifieds each Saturday night. USAC midgets are scheduled on Saturday night, July 31.

Here's the Schedule At Toft's 2 Tracks

Ray Toft, president of Toft Auto Racing, Antioch has released a schedule for the two southern Wisconsin tracks promoted by his organization this season.

Racing has already started at the Kenosha County Speedway, a third-mile dirt oval in Wilmot, and at the quarter-mile asphalt oval at the Lake Geneva

Raceway, just south of Lake Geneva.

Late models, sportsman and spectator stock cars are presented each Saturday night at Lake Geneva.

Starting Sunday night, May 2, the track will present weekly super-modified, sportsman and spectator stock car racing.

Drag racing is held each Sunday at the Raceway starting at 8 a.m., with trial runs at 9 and eliminations at 1 p.m. For further information, phone 414-248-8566.

The Kenosha County Speedway in Wilmot is located on the fairgrounds. Super-modified and sportsman stock cars are presented there weekly on Saturday nights. Tentatively, a motorcycle race is scheduled for Thursday night, June 24.

The phone at the track is 414-862-2446.

Mini-Indy Cars To Race

USAC late-model stock car driver Sal Tovella, Chicago, will drive in the area's first race of Mini-Indy cars Saturday night, May 8, at the Lake Geneva Raceway.

Tovella, who won twice on the USAC late-model stock car circuit last year, will be competing against a talented field of drivers in this new class of racing featuring cars powered by snowmobile type engines.

The cars sport wings like those used on Indianapolis championship cars and are reaching speeds in excess of 100 mph on tracks in Michigan.

Gates open at 6 p.m. with time trials at 7 and the first race at 8. This Sunday, May 2, the track adds super-modifieds to its weekend schedule.

Waukegan Speedway Plans Racing Cards

Rain and snow knocked out any chance of racing at the Waukegan Speedway last weekend.

Late model and hobby stock car racing will return to the quarter-mile track next weekend with two cards under the

lights. Both Saturday and Sunday night's racing programs will begin at 8 p.m. with time trials 45 minutes earlier.

The Saturday and Sunday night agenda will continue at Waukegan through the Labor Day weekend, with additional holiday specials planned.

Auto Racers Look Forward To No Rain

Rain showers forced cancellation of Toft Auto Racing Promotions at both the Kenosha County Speedway in Willmet and the Lake Geneva Raceway in Lake Geneva last weekend.

The Lake Geneva Raceway will host a "Memorial Day 100" series of off-road course events on Saturday and Sunday, May 29 and 30. These daytime events will not conflict with the evening stock car races. The Memorial Day 100 will carry more than \$15,000 in purse and contingency money.

Tentatively, an auto racing program is also being scheduled for Friday night, May 28.

SPORTS IN SHORT

MIKE PERRONE of Antioch saved a no-hitter last Thursday for College of Lake County pitcher Dan Miller.

Miller held McHenry hitless in a 10-0 victory and the losers' only near-hit was handled by third baseman Perrone in the fifth inning, when he made a bare-handed pickup of a bunt and threw out the batter at first base.

SCOTT SHAFFER of Antioch has been awarded a varsity wrestling letter at Western Illinois University in Macomb.

At Antioch High School, Scott was one of the state's leading prep wrestlers before joining the college varsity at Western.

Sequoits Win 3 Track Meets

Antioch High's track team won three meets in four days last week and came up with some outstanding individual performances.

First the Sequoits routed Round Lake 102-43, then beat Warren 83-63 before getting past a tough Stevenson team 76-70.

This Thursday they are scheduled to run at Grayslake and Saturday in the North Chicago Relays.

Stevenson almost beat Antioch because Steve Keller won four events, both sprints and both hurdles races.

Antioch's stars included Jerry Michalak, who high jumped 6 feet 3 inches, the best mark in the county this season.

The Sequoits' half-mile relay team triumphed in 1:36.7, the fifth best time in Lake County so far.

Mike Ware has recovered from an injured leg and now ranks as one of the county's best triple-jumpers. He reached 42 feet 1 inch against Warren, fifth on the Lake County honor roll. Ware also won against Stevenson.

Bill Harland won the 880 against Stevenson in 2:05.7. His best time this year is 2:04.

Keith Kaht took the pole vault by clearing 11 feet.

Dennis Pedersen has been consistent in the shot put, winning against Round Lake with a toss of 46 feet 10 inches and against Warren with 45-11.

Other Antioch winners last week included Bob Dubek in the 2-mile, Dave Moore in the 100, Tim Sheppard in the 880, John Kaminski in the mile and Dave Lagerstrom in the 220. John Christiansen in the discus and Bob Walsh in both hurdling events.

ANTIOCH COUNTRY CLUB has a new golf professional, Nick Marucci, and a new pro shop featuring the latest in equipment and wearing apparel. Memberships are available, and the course also is open for public play. Owner Tom Santino said Marucci was the assistant pro at Barrington Hills Country Club and came "highly recommended" by his previous boss.

Jogging Outfits

Set a Colorful Pace

The loneliness of the long distance runner is a thing of the past. There are so many men, women and children out jogging these days that it seems as though the whole country has put on tennis shoes and joined in the run.

With numbers like that, it is not surprising that fashion has entered the picture. The sweat suit, that long-time classic in grey or cream, has a whole new look. It has burst into color. Now the chic jogger can appear in whatever color he or she cares to wear.

But... before you dash out to the fanciest department store in town to get a new sweat suit, consider being your own color master. With the help of fabric dye you can turn yesterday's drab jogging outfit into tomorrow's traffic-stopper. For best results, be sure the sweat suit outfit is all cotton.

Use one bottle or two packages of Rit dye in your color choice and color the cotton sweat shirt and pants in a washing machine. First, wash the outfit and spin to damp dry; remove from washer. Next, fill washer with as much hot water as you would use for your wash. Add dye to water and agitate briefly to mix solution. Then add the damp, unfolded sweat suit. Set washer for the longest wash cycle.

Palmy days, meaning prosperous or happy days, comes from Roman times when gladiators received palm branches as rewards.

A 30-INCH WALLEYE was caught by Ken Vos of Antioch (left) on the Wisconsin River out of Lake Delton. Posing with Ken and the once-in-a-lifetime catch was Dan Haley, who will display the fish on the wall at his Limerick Lounge. The walleye, which was mounted by Bud Budovic, weighed 9 lbs. 10 oz. and had a 20-inch girth. Ken caught it on a "pinky" with a minnow as bait.

SPORTSMAN'S CORNER

Ed Waibel had the right combination - a warm spell, some open water, the itch to fish and a Mister Twister lure. As a result, Waibel, Elmwood Park, now owns the Illinois largemouth bass record.

Casting a stone quarry pond in Lake County, Waibel tied into a 13 lb, one ounce largemouth lunker. The bass was 28 inches long and had a girth of 23 inches.

Waibel's fish topped the old record of 12 lbs, eight ounces,

caught by James Crandall of Gillespie from Carlinville Lake in 1969.

THOUGHTS NOW turn to boating. More than 100,000 boaters' registrations expire June 30, and Department of Conservation officials are urging owners to renew now.

"Approximately 50,000 boaters did not respond to the 'notice of renewal' issued several months ago," said Tony Dan, director of the department. "As

the deadline draws closer, we will begin receiving phone calls and letters from some of these persons, urging us to send their registration decal so they may use their boats in July. However, processing the forms takes several weeks, and the registrant runs the risks of delay past the expiration date."

Cost of boat registration is \$4 for two years.

FOR THE deer hunter, it's Please turn to page 19

Varsity Baseball Team Loses Lead

Antioch High's varsity baseball team lost its conference lead last week, suffering two losses and lowering its league record to 4-4.

On Tuesday of last week the Sequoits lost 5-2 to Cary Grove. Keith Evanson, the starting and losing pitcher, had a rough first inning, giving up 3 runs on 4 hits.

The Sequoits didn't go down without a fight as Paul Petty led off the second with a triple to left and scored on a sacrifice fly to center by Jon Bodin.

In the third, the Sequoits scored what proved to be their last run of the day when Pat Houghton reached first on a dropped third strike. A walk moved Houghton to second and Mitch Witt singled to center, letting Houghton score on a throwing error by the outfielder.

Cary-Grove scored single runs in the 5th and 7th innings to finish the scoring.

On Thursday the Sequoits felt defeat again as the Wauconda Bulldogs won 6-2.

In the 3rd inning the Sequoits scored their only runs of the day. Dan Vos grounded to the pitcher, who threw the ball wildly past the first baseman, allowing Vos to advance and later score on Terry O'Brien's single. O'Brien advanced to second on a balk and then scored on Tom McAvoy's

single. The Bulldogs scored four runs off the losing pitcher Dave Zitkus.

The Sequoits traveled to Stevenson Tuesday and will travel to Barrington for a non-conference game next.

Grant's Bulldogs have taken over the Northwest Suburban lead with a 5-2 record. Antioch plays a doubleheader at home Saturday with Round Lake, a team with a 3-3 record.

It has been estimated that if a man, in proportion to his weight, could jump as high as a flea, he could jump over a tall building with ease!

BARRY GOLDWATER

Barons of Labor
Out of Tune

By BARRY GOLDWATER

The leaders of organized labor have either missed the point of this year's campaign or they want the Democratic Party to commit political suicide. At a recent meeting of the Democratic Party's platform committee in Newport, R.I., the labor unions produced a parade

of witnesses that urged the party to reject the campaign theme that government has grown too large.

To take this seriously, you have to believe the sole motivation for the labor leaders is immediate and temporary selfishness. It is not difficult to imagine that they see further expansion of government as a method to produce more jobs. And, of course, in this they are partly right. But the position gives no consideration for the long-term view of a nation floundering under deficit-spending.

All the major polls that have been taken in an attempt to

solve the mystery of Jimmy Carter's success should have told the barons of labor that the tide is running against government control, regulation, expansion and extravagance. Even Rep. Morris Udall (D-Ariz.), a candidate for President, has dropped the word liberal from his vocabulary because he understands that the people are blaming the liberals for the government burden they now have to carry.

If the Democrats come up with a candidate who has no regard for cutting back on government bureaucracy and stopping some of the ridiculous expenditures authorized by faceless bureaucrats, he's going to have a tough fight on his hands. This is true regardless of whom the Republicans select. When you get right down to it, President Ford and Ronald Reagan agree in this area—both of them staunchly oppose bigger government.

The labor leaders would like to think that the growing opposition to government regulation, bureaucracy and red tape is a myth—they are fooling themselves. The opposition is there and it's determined. It's strength will be felt at the polls. It's about time the labor leaders forgot their selfish individual demands and got in tune with the nation.

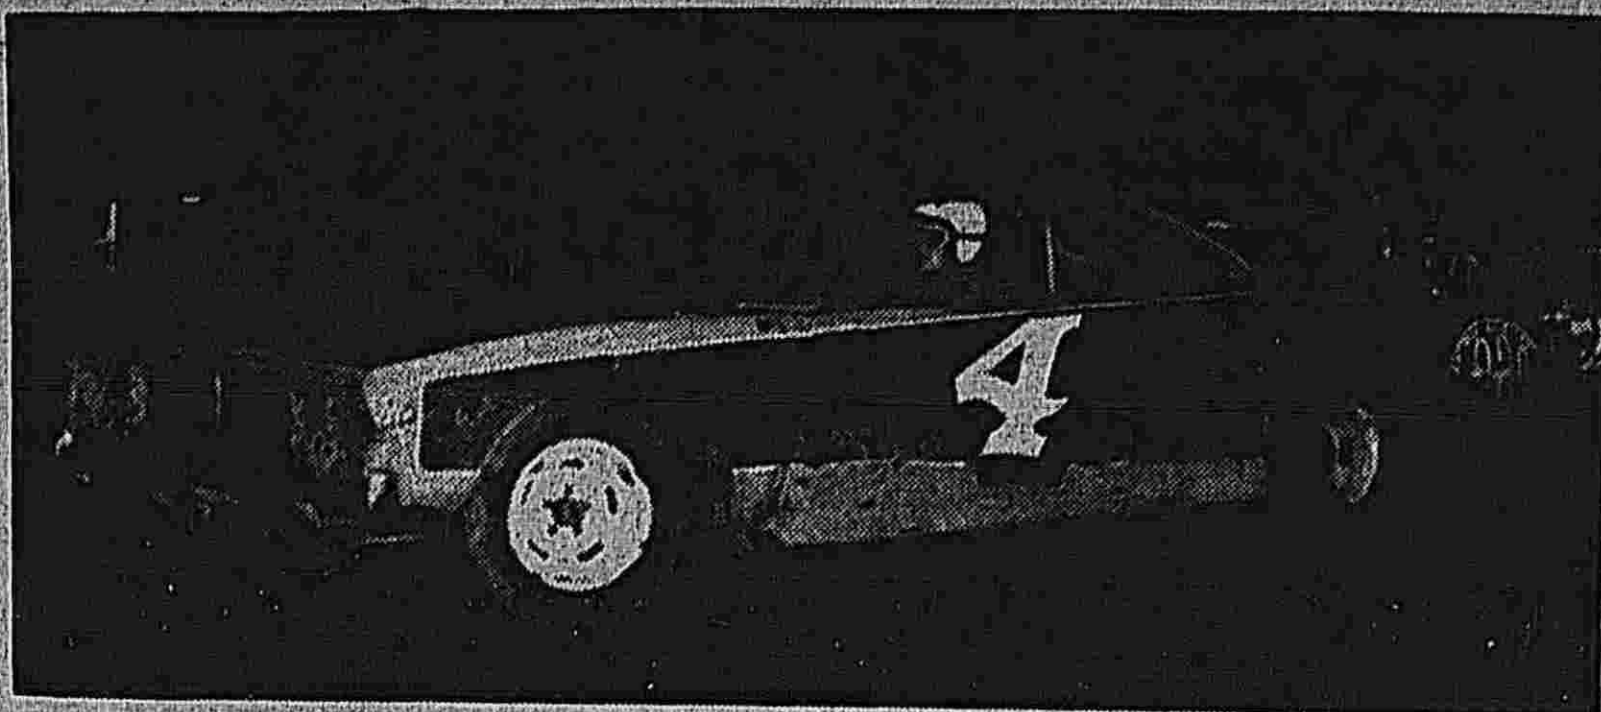

"When your mother came to spend the holidays with us,
I didn't know she meant all of them."

DON COLLINS, Antioch provided the majority of the thrills in the Sportsman stock car feature as racing opened at the Kenosha County Speedway in Willmot on Saturday night, Apr. 17. Don set fast time and was in the lead on the last lap of the 15-lap feature when he ran into trouble and wound up 5th. He was set for a win last week but racing was cancelled due to rain. Now, Don hopes to put his 1966 Dodge Charger in the winners circle this Saturday.

Sportsman's Corner

Continued from page 18

not too early to make plans for next fall.

The shotgun deer season will be Nov. 19-21 and Dec. 10-12 inclusive (6 days). One new county, Will, has been opened to shotgunners this year, bringing the total to 98. Only Lake, Cook, Kane and DuPage counties remain closed to shotgun deer hunters in Illinois.

Hunting hours are 6:30 a.m. to 4 p.m. daily, and hunters will be allowed one deer by shotgun and one with bow and arrow as a season limit, provided they have permits for each.

The Conservation Depart-

ment will accept applications for shotgun hunting permits May 3 through May 14, and will hold a public drawing on May 17 to allocate them. However, hunters shouldn't apply prior to May 3; permit applications sent

early will be returned. Also, only one application should be sent in per hunter; those submitting more than one will forfeit both money and permit. No more than six applications will be accepted in one envelope.

DEFENDING THE FLAG

The U.S. Marines helped to defend the flag in the sea fight between the Bon Homme Richard and the

Serapis, September 23, 1779, when John Paul Jones made his defiant retort: "I have not yet begun to fight."

The little boy was making a manful effort to lead a large shaggy dog. "Where are you taking him?" he was asked. "I don't know yet," the lad replied, "but when he makes up his mind where he wants to go, I'm going to take him there."

OUTDOOR
WOOD

Wolmanized

Pressure-Treated Lumber

Beauty that lasts
even at the ocean

Wolmanized® lumber is the great Outdoor Wood. That's because it's treated with special chemicals to give it resistance to rot and termites for decades.

Outdoor Wood is beautiful. It has all the permanence of some of the fancier woods—and then some. But it costs considerably less. Why? Because Wolman® preservative salts provide these same enduring qualities in ordinary wood.

For seaside or poolside, for docks, decking, patios, fences, or gazebos—when you're building outdoors, use Outdoor Wood.

LEGAL NOTICES

LEGAL

NOTICE OF SPECIAL SCHOOL ELECTION

Notice is hereby given that on Saturday, the 15th day of May, 1976, an election will be held in School District No. 33, County of Lake and State of Illinois, for the purpose of voting upon the following proposition:

Shall the maximum tax rate for the educational fund of School District No. 33, County of Lake and State of Illinois, be established at 1.64 per cent on full, fair cash value instead of 1.24 per cent, the maximum rate otherwise applicable to the next taxes to be extended?

Estimate of the approximate amount extendible under the aforesaid proposed rate for the educational fund: \$92,133.90

Estimate of the approximate amount extendible under the rate otherwise applicable for the educational fund to the next taxes to be extended: \$69,662.22.

The aforesaid estimates have been computed upon the last known full, fair cash value of the taxable property in said School District.

For the purpose of this election, the following precinct and polling place is hereby established:

All of School District Number 33, Lake County, Illinois.

POLLING PLACE - Emmons School, located on the N.E. corner of Beach Grove Road & State Route 59, Antioch Township, Lake County, Illinois.

The polls will be opened at 12:00 o'clock noon and closed at 7:00 o'clock p.m., Central Daylight Saving Time, of the same day.

The legal voters of the School District must vote at the polling place designated for the election precinct within which they reside.

By order of the Board of Education of said District.

Dated this 27th day of April, 1976.

OBITUARIES

ALFRED PETER NEES died last Saturday night at the age of 67 at Condell Memorial Hospital in Libertyville.

Mr. Nees was a retired machinist who worked for the H.M. Harper Co. He lived at 51 Long Meadow Dr. in Lindenhurst.

Mr. Nees is survived by his wife, Mary (nee Glover); one son, Robert (Gloria) who lives in California; and two grandchildren, Theresa and Sandi, the daughters of Robert Nees.

Funeral services will be held today (Wednesday) at Olson Funeral Home, 6471 N. Northwest Hy., Chicago, at 2:30 p.m. Interment will be in Waldheim cemetery in Forest Park.

Masonic services were held Tuesday night at the funeral home. Visiting hours began Monday at 4 p.m.

MURIEL M. THOMPSON, 68, of Petite Lake area near Antioch, died Tuesday, Apr. 20 at Victory Memorial Hospital.

She was born May 20, 1907 in Chicago and moved to Des Plaines in 1957, then to Antioch in 1964.

She was preceded in death by her husband, John E. Thompson, May 17, 1967. Survivors include one daughter, Mrs. Susan White, Mundelein; her mother, Mrs. Petra Milner, Antioch; seven grandchildren and three great-grandchildren.

Funeral services were held last Thursday at the Strang Funeral Home, Antioch with Rev. Stephen Williams, of the Antioch United Methodist Church officiating.

Memorials may be made to the Antioch Rescue Squad or the American Cancer Society in Mrs. Thompson's memory.

Restorations

Your cherished memories don't have to stay tucked away in that attic trunk or in the old family album you pored over as a child. They can be made to glow again ... in an honored place in your home or as a gift to someone dear.

Weekend Travelers Tips

Heading into the Bicen-
tennial's vacation season,
Americans will pack up
their bags, pull down the

shades and take to the open
road to explore the scenic
vistas and natural wonders
of the good old U.S.A. While
most think that it takes a
week or two to achieve that
"get away from it all" feeling,
often just a simple weekend out-
ing with family and friends
can be the most relaxing and
memorable vacation of all. And,
for small children, a picnic in
the park can seem like an ex-
cursion to a faraway place.

During weekend jaunts,
it's best to travel by car to
enjoy the sights and fresh
spring colors. To entertain
the young crowd while travel-
ing in the car, the Sole Leather
'Council suggests these travel-
ing tips to make getting there
half the fun:

- Pack a bag of toys — washable stuffed animals, a deck of cards (Old Maid is a favorite), picture and puzzle books.

- Organize group games — like alphabet games using letters from license plates and street signs.

- Sing songs — a few choruses of "Old MacDonald" and rounds of "Three Blind Mice" will keep the kids entertained and the driver awake.

- Pack nourishing and easy-to-preserve snacks like fruit, cookies and sandwiches. Make sure perishables are tightly wrapped and kept on ice or in a cooler.

- Remember to have pillows and a blanket accessible so weary young travelers can nap, especially on the ride home.

- Stop often at rest areas for fresh air and exercise so muscles won't cramp.

- Dress in casual loose-fitting clothing for comfort in and out of the car and be sure to wear comfortable, durable shoes. And remember, leather soles are best to keep traveling feet cool, dry and happy.

NAMES IN THE NEWS

FOUR LOCAL students have been cited for scholastic achievement at Western Illinois University in Macomb. They are James Heidner of Lindenhurst, Deborah Ann Bishoff of Antioch, and Barbara McIlvaine and Thomas Robinson, both of Lake Villa.

SANDRA LINDBERG, daughter of Mr. and Mrs. Carl Lindberg of Route 3, Antioch, was one of the featured players in "The Glass Menagerie," presented this month by the Illinois State University theatre in Normal-Bloomington.

NAVY AIRMAN Recruit Thomas A. Ultsch, son of Mr.

and Mrs. George Ultsch of Antioch, is serving aboard the aircraft carrier USS Independence and recently participated in Fleet Exercise "National Week XX."

Twenty six ships and 17,000 men took part in the exercise held in the Tyrrhenian Sea between mainland Italy, Sicily and Sardinia.

LORI ESSER of Antioch is an honor roll student at Carmel High School for Girls. Lori is a sophomore at the Mundelein school.

Carmel's honor roll also includes four students from Lake Villa: Virginia Brysie-

wicz, Anne Marie Loring, Anne Seisser and Susan Thulin.

STAFF SERGEANT John A. VanHaecke of Rt. 2, Antioch, has graduated from the Military Airlift Command Noncommissioned Officer Academy at Norton Air Force Base in California.

Sgt. VanHaecke, son of Mr. and Mrs. Elmer VanHaecke Sr., received advanced military leadership and management training. He is an administrative specialist at Scott Air Force Base in Illinois.

A 1967 graduate of Antioch High School, John attended the University of Illinois at Urbana.

America's Bruce Jenner trains seven hours a day in 10 different track and field events in hopes of becoming the world's greatest athlete next July in Montreal. He has to beat the Soviet Union's decathlon Gold Medal winner, Nikolai Avilov.

sun's rays call for caution!

Summertime is sun time and most women and men spend a lot of their time coaxing a tan which is supposed to make them look young, healthy and beautiful. In reality, a sun tan may look great but it can have long-lasting consequences which are terrible. Sun dries out the skin, causing it to wrinkle prematurely after several years of repeated exposure. Cancer cells can also develop on skin that has been exposed to too much sun, according to medical research.

Protect your skin this summer with a sun screen or tanning lotion which limits the amount of sun you can receive. Some sun screens block out the harmful ultra-violet rays of the sun while a good sun block will protect you from all of the sun's rays. If you do coax a tan, do it slowly and carefully, spending no more than 20 minutes a day in the sun without a sun block on your exposed skin. And use a moisturizer to replace the oils in your skin after a day in the sun.

AMERICA The Bountiful

Little Known Facts
About America's Greatness

Envelope manufacturers have something to be cheerful about: In 1971 Americans sent over 85 billion letters and packages making us the country with the largest mail in the world!

American egg lovers have something to be cheerful about. The world's largest chicken ranch is in Moorpark, California. On these 600 acres, some two million eggs are laid daily by 4 1/2 million chickens!
